

All the convenience of traditional task light, with the benefits of CCT adjustable LED technology.

Features

- 3 position switch for color temperature adjustment (3000K/4000K/5000K)
- Dimmable with most ELV dimmers. Continuous dimming with a 5%–100% dimming range.
- Captive mounting screws
- Easy installation
- High Low switch
- 5 year limited warranty
- Available in white, black, bronze and aluminum finish

Specifications

Voltage	120V AC
Power Consumption	9.5"=5W, 17.5"=10W, 26"=15W, 34.5"=20W, 43"=25W
LED Life	50,000 hours
Color Temperature	3000K/4000K/5000K
Lumen Output	9.5"=310LM 17.5"=650LM 26"=1000LM 34.5"=1300LM 43"=1500LM
CRI	90+
Lens	Frosted Glass
Dimming	Dimmable with most ELV dimmers. Continuous dimming with a 5%–100% dimming range.
Finish Color	BK - Black BZ - Bronze AL - Aluminum WH - White
Approval	cETLus

Ordering Code:

LTS-II- -HW/

Length: 1=9.5", 2=17.5", 3=26", 4=34.5", 5=43"

Finish: BK=Black, BZ=Bronze, AL=Aluminum, WH=White
